The best way for local communities to support survivors of human trafficking and to bring traffickers to justice is to work together. Florida has a number of local human trafficking efforts that successfully collaborate to these ends, and one is the South Florida Human Trafficking Task Force. This session will explore the challenges in building a local coalition to end trafficking, explore successes, challenges, and promising practices, discuss the role of child welfare professionals and the Department of Children and Families on this local effort, and provide ample time for participant questions and discussions.

Presenters: **Caridad Mas-Bachelor**, Task Force Coordinator for the South Florida Human Trafficking Task Force and **Theresa Kennedy**, DCF Regional Human Trafficking Coordinator, SE and Southern Regions.
